---

## OBJECTIVE

---

To work for a company that offers opportunities to learn and excel in my trade. To work in a reputable establishment as a professional mixologist, drawing new customers while interacting with a diverse group of individuals.

---

## SKILLS

---

Full-Stack web developer. Efficient upseller, knowledgeable mixologist, highly adaptable, and eager learner.

---

## EDUCATION

---

### **The Coding Boot Camp/2020**

The University of TX at Austin

### **Bartending Certificate/2014**

Texas School of Bartenders

---

## EXPERIENCE

---

### **Bartender / Omni Hotels & Resorts | April 2019 – Present**

Welcome, acknowledge, and greet guests who come to the bar. Mix and serve alcoholic beverages to guest based on their preferences. Helped reestablish the restaurant and pool bar clientele as part of a new crew hired upon reopening the resort following remodeling.

### **Barback / the Local Outpost | June 2018 - Present**

Create an inviting atmosphere at this fast-paced bar by removing empty glasses, cleaning tables, and supplying the needs of the bartender. Monitor admittance into the bar and proper customer behavior to maintain business image.

### **Barback / Pinballz | January 2018 – April 2019**

Identified the needs of the bartenders and supplied them with necessary work tools and spirits to ensure an efficient operation. Maintained the cleanliness of the work area and bartended upon demand.

### **Head Barback / Graham Central Station | January 2014 – August 2016**

Stocked the bar to prepare for bartender's arrival at this large, fast-paced, dancehall. Started as a porter and was promptly promoted to head barback, tending up to 6 bartenders simultaneously and bartending upon demand.

### **Bartender / Serrano's | May 2015 – November 2015**

Took customers' orders, served their food, and stocked the bar. Created drinks and offered customers suggestions based on their preferences. Was awarded top-upseller bonuses on four occasions.

### **Cashier / Round Rock Donuts | May 2013 – May 2015**

Managed the register and filled customer's orders for this iconic donut shop. Tended to drive-through requests and multitasked on a regular basis by covering different positions.
